Replacement Bond Security Required

Effective June 29, 2004, this office accepted a \$44,000.00 Irrevocable Letter of Credit (LOC) No. 68023369 to secure a personal surface management bond filed by the above obligor. The acceptance decision stated: "The LOC will continue indefinitely in the absence of a notice from the financial institution of its determination not to renew the letter. Such a notice must be received in this office at least 90 days prior to the original expiration date of June 24, 2005, or the automatic extension dates falling on the same day in subsequent years."

On March 29, 2010, we received a notification from the financial institution named above that it will not renew Letter of Credit No. 68023369.

Therefore, you are hereby requested to provide a replacement security in the amount of \$44,000.00 at least 30 days prior to the letter of credit's original expiration date of June 24, 2010; that is May 24, 2010.

Div. of Oil, Gas & Mining

In accordance with regulations at 43 CFR 3809, if a replacement security is not received in this office on or before May 24, 2010, this office will demand that the financial institution named above pay the full amount of Letter of Credit No. 68023369 to insure continuing coverage of the obligor named above. Such funds will be retained in our suspense account, with no interest accruing to the obligor, until the bond coverage is no longer required or until the obligor furnishes another replacement security.

If there are any questions prior to providing this replacement security, please contact Opie Abeyta at (801) 539-4123.
